

Get Up

Get up, Get up

(Chorus)

Get up, Get up, Get your praise on
You got a reason to lift up your hands
Get up, Get up, Get your praise on
Put on the garment of praise
For the spirit of heaviness

(Verse1)

What in the world is goin' on
People just goin' on
With the same ol' song, same ol' song and dance
And why in the world is it allowed
That you wanna wear a shroud
Feelin' down in every circumstance

(Pre Chorus)

Every moment, everyday
New mercies are a bet of hope, yeah
Beauty for ashes, Joy for your pain
Shake off your sadness
So Get up, Raise up and Praise (Him)

Repeat Chorus

(Verse2)

How in the world can this be so
Doesn't everybody know
That we should just let go and just let God be God
And when in the world will we recognize
That there is a new horizon
It's been long long time

Repeat Pre Chorus

Repeat Chorus

(Bridge)

Emotional, Spiritual,
So Powerful, Supernatural
Incredible, What a miracle
Sensational
Get your praise on everybody Get Up !

(Rap)

Lift your hands up to the sky!
If you know, the Lord is in your life
Just say Get on up ! (get on up)

You just wipe that sleep off out your eye
It's a brand new day, let's lift Him high!
Say Get on Up ! (Get on Up)
