

## Looking For You

### **[Verse 1:]**

I've been down so long,  
I've been hurt for so long,  
There were times I thought I would never see the break of day.  
It was hard for me,  
to see your plan for me  
And I tried to believe  
surely it won't last always

But night after night, (Night after night, Night after night)  
I pray Lord don't take your joy from me  
Then late one night ( then late one night)  
I read in your love letter that it's gonna get better

### **[Chorus:]**

**Don't you know that  
I've been looking for you  
I realized that nothing else will satisfy me  
I'm so glad I found you  
Now that I'm changed no one can keep me away (from you)**

### **[Verse 2:]**

And my enemies, tried to come for me  
And they thought that my world was coming to an end  
All the while you knew  
That I would make it through  
I feel closer to you now than when I first began

### **( Pre Chorus)**

**Jesus you are, (Jesus you are, Jesus you are)  
You are my sun right after the rain  
Wherever you are (Wherever you are)  
I just wanna be near you  
I'm so glad I can hear you**

### **[Chorus 2x]**

**Ohoh Ohohoh x4**

**Repeat Pre Chorus**

### **[Chorus 2x]**
