

(MC) For those of you that think gospel music has gone too far
You think we've gotten to radical with our message
Well I got news for ya'
You ain't heard nothin yet
And if ya' don't know, now ya' know
Glory Glory!
You better put them hands together
And act like you know up in here

★ Lately I've been goin' through some things thats really got me down
I need someone somebody to come and help me turn my life around
I can't explain it
I can't obtain it
Jesus your love is so, it's so amazin'
It gets me high, up to the sky,
And when I think about your goodness, it makes me wanna

(Chorus) STOMP
Makes me clap my hands, makes me wanna dance,
STOMP
My brother can't you see, I gots the victory,
STOMP

(Rap) When I think about the goodness and the fullness of God
Make me thankful, pity the hateful, I'm grateful
The Lord brought me through this far
Trying to be cute when I praise him raise him high
I keep the live beat bumpin
Keep it jumping, Make the Lord feel somethin'
Ain't no shame in my game Jesus Property
Kickin' it with Kirk ain't no stoppin' me
