

Teach my O Lord

Verse 1

Teach me O Lord to walk in your way
Teach me O Lord to trust and obey
Cause I want to be an obedient child
Cause I want to love you all of my life

Verse 2

Dear Holy Spirit rise up in my heart
Lead and guide me each day from the start
Cause I want to be an obedient child
Cause I want to love you all of my life

Teach me O Lord to walk in your way
Teach me O Lord to trust and obey
Cause I want to be an obedient child
Cause I want to love you
Cause I want to love you
Cause I want to love you
All of my life (repeat)
I want to love you (repeat)
